CSP Triumphs at C.I.T.

By Sheryl Timm

The Concordia Invitational Tournament was held at Concordia River Forest this year. Both the men's and women's basketball teams were ranked number two going into the tournament. At the time of this writing, both teams had expectations of bringing home the winning trophy.

For the women's team, the last tournament championship was captured in 1982 which was the last time that C.I.T. was hosted here in St. Paul. Coach Surridge felt the team was geared for the tournament both physically and emotionally. He also had seen steady improvements in both the offensive and defensive game of the Lady Comets.

It has been a long wait for the men's basketball team. 1978 was the last C.I.T. victory for the male cagers. Going into the tournament, Coach Schuldiesz felt that the men were well equipped physically and emotionally to play against the top ranked team, the Preachers from the St. Louis Seminary.

Editor's Note: The CSP women's team captured the championship trophy. The CSP men's team placed second.

CSP Wrestling Two Members Strong

By Sheryl Timm

The wrestling team here at CSP is in dire need of help. Bill Moore and Jeff Miller are the last wrestlers on the team.

"It seems as though the other wrestlers just do not want to put the time and effort in to be dedicated to the team," says a source who wishes to remain anonymous. He also recalled that a couple of years ago there was talk from administration to drop the wrestling program. This sparked interest in students to go out for the team to help build a strong program here at Concordia. Since then the interest has declined again and the team is back to a handful of members. When asked, this individual indicated that in no way did he feel that the coaching was the cause for the lack of interest and dedication.

Varland, Athlete of the Year Finalist

By Shellie Bentzler

Denise Varland, freshman student involved in basketball and softball here at CSP, was chosen as one of the six finalist for the Ramsey County Athlete of the year.

According to Denise, just being one of the 100 chosen by the county was surprising, but making the finalists list was even more surprising.

Her sports efforts in softball pitching for her high school and city team this past spring and summer brought about her nomination. Denise's records were 21-1 and 12-1, which lead to the teams winning the championship in each division.

The Athlete of the Year award was given to a girl from Como who was two time winner of the national handball competition. She is the first female to ever win the Ramsey award.
