

Henke Highlights

It is the start of a new year in senate and we are all very excited about it. Senate has many 'returning lettermen' with experience to help us get a good start. Senate floor representatives should be elected within a week and then we can start doing more with the full senate. As Senate carries on through the year, we hope that we can serve you, the student, with activities and legislation to make your year a good one. If you have any questions, comments, or ideas, please feel free to call me at #325. Good luck in the year ahead!

ENTERTAINMENT

It's a new school year and as the 1987-88 entertainment editor, I'm here to inform you about the happenings here in the Twin Cities and try to get you the best value for your money.

If you have classes that require you to attend a musical or dramatic performance, keep your eye on this section. I will be informing you of most of the major performances in the area. Also, we often receive discount tickets for these performances, so ask me about them or watch this section closely for more details.

Until next time, take it easy!

FALL PLAY AUDITIONS

Auditions for the fall play, Hamlet, will be held Sept. 22-23 beginning at 4:30 p.m. in the Attic Theatre.

This production of Hamlet will be non-traditional in that it will not be done in Elizabethan costume. Some portions of the script have been edited by the director, Mike Charron.

Many of the approximately 27 roles will be cast for men or women, and they include some non-speaking roles.

Auditioners will read from the script. They may memorize a short speech (1-2 min.) from a Shakespeare play. However, it is not required.

There will be a short informational meeting concerning all of the drama dept. activities on Wed., Sept. 16, at 4:30 p.m. in the Attic Theatre.
