

ORIENTATION PROVED SUCCESSFUL

On August 29, the campus was buzzing with new students. The Student Council and the Orientation committee welcomed the new freshmen in the morning and the afternoon was spent in registering. The all day session of testing on Thursday was climaxed with a tour of the Twin Cities, a wiener roast, song fest, and devotion at Minnehaha Falls.

Friday found them finishing their tests and then beginning orientation. In the evening, the group went to the Pop Concert in the St. Paul auditorium. A trip to Taylor's Falls

was Saturday's highlight.

The spiritual aspects of Concordia were noted when on Sunday morning buses were provided for church at St. Stephanus. After dinner, they were taken to the State Fair for the rest of the day. A very tired group of students came home, but after a night's rest were found again on Monday morning back at the orientation program.

After a week of meeting each other and the campus, they were ready to meet the returning prima class.

SAB and AAA BEGIN

The Tri-A and S.A.B. Literary Society functions are now underway. Throughout the year the societies hold various contests in dramatic readings, plays, after-dinner speeches, and poetry. All college students are urged to join one of the societies.

Tri-A sponsored a mixer for the college on September 7. A short program and a hubbub of games opened the evening. Watermelon was served and devotions closed the mixer. S.A.B. and Tri-A plan to work collectively for decorating the LMC and the dining hall for Homecoming.

LET'S BEAT BLAKE!
