

ARTS & VARIETY

February 2019 Horoscopes

BY BROOKE STEIGAUF

Aries | March-21-April 19

The demands of your learning process are increasing, but you have all that's necessary to meet them and will be all the better for it. Persevere.

Taurus | April 20-May 20

While it may feel like life is a bit less stable than your comfortable with, control can be regained by balancing your perspective. Search for small moments of joy. Then, wallow in them.

Gemini | May 21-June 20

You are way over-doing it. Work on prioritizing, allowing yourself to decompress, and taking it day by day.

Cancer | June 21-July 22

You're feeling a bit out of your shell, but feeling optimistic toward the future. Continue to hope for the best and trust your instincts. It will all work out in the end.

Leo | July 23-August 22

This month has you feeling antsy, as you always have high expectations. Be sure to communicate, especially with those who are close and dear to you.

Virgo | August 23-September 22

Your methodical brain is preventing you from seeing a creative solution to your most bothersome dilemma. Diverge from your norms, and a new perspective will greet you.

Libra | September 23-October 22

While you feel a bit off balance now, you are regaining your footing. Focus on what makes you feel good and let the rest go.

Scorpio | October 23-November 21

You feel most comfortable when you are in the company of those who you can trust with your emotions. Step out of your bubble for the sake of learning, but return to your safe zones to recharge.

Sagittarius | November 22-December 21

The truth for which you are currently searching will become exposed soon. Keep asking questions. Search for unturned stones.

Capricorn | December 22-January 19

It takes work to create an understanding between your feelings and what you "know" to be true. Journaling and making lists can assist you in finding the peace you long for.

Aquarius | January 20-February 18

Your concern for others is what makes you a great friend, but you must draw boundaries. It is okay to be someone's shoulder to cry on but don't let anyone steal your energy.

Pisces | February 19-March 20

You are quick to absorb the emotions and experiences of others and are wise as a result. Don't hesitate to share what you have learned with others. Someone close to you can benefit from your insight.
